

# Photo Silk Baryta 310

310 gsm, white, silk gloss baryta

## Product Description

Photo Silk Baryta 310 is a white, silk gloss baryta paper that gives the impression of a traditional silver halide photo paper. The unique barium sulphate coating ensures an extraordinary image result with a large colour space, creamy shades of white and velvety deep black.

## Applications

Photography, Portrait, Posters, Signage. Exhibitions with a short duration.
